## ADULT WAIVER OF LIABILITY

I, \_\_\_\_\_, being of legal age and sound mind, hereby agree that I will follow and adhere to the EMERALD COAST INDOOR SHOOTING & SPORT safety rules and procedures while utilizing or being present at Emerald Coast Indoor Shooting & Sport located at 685 Valparaiso Parkway, Valparaiso, Florida 32580. I further acknowledge the risks inherent in firearms training, firearms practice and the use of firearms.

I agree to release Emerald Coast Indoor Shooting & Sport, their employees, designees and appointees from any and all manner of action and actions, cause or causes of actions, suits, damages, judgments and claims of any kind whatsoever, in law or equity, which may result or are in any way connected or related to injuries which I may sustain while engaging in firearms training, firearms exercises, or for any activity which involves the use or discharge of a firearm.

I further agree to indemnify and hold harmless, to the extent permitted by Florida Law, Emerald Coast Indoor Shooting & Sport, their employees, designees and appointees from any and all manner of action and actions, cause of causes of actions, suits, damages, judgments and claims of any kind whatsoever, in law or equity, which my spouse or another can recover for injuries which I may sustain as a result of engaging in firearms training, firearms exercises, or for any activity which I, or another, use or discharge a firearm while at Emerald Coast Indoor Shooting & Sport.

*I hereby acknowledge that I have read and understood this Agreement on this the \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_.*

## RANGE RULES

1. Treat all firearms as if they are loaded.
2. Never point the muzzle at anything you are not willing to destroy.
3. Keep your finger off the trigger until your sights are aligned on the target and you are ready to fire.
4. Always be sure of your target and what is beyond it.
5. Eye and ear protection are mandatory for everyone entering and using the range.
6. Only two people per stall are allowed at the range at a time.
7. Only one person is allowed between the yellow and red lines.
8. No steel core, tracer, penetrating, magnetic, shot shells, or incendiary rounds. We do not allow any ammunition that has any steel in the projectile. The range has the right to inspect any and all ammo at any given time. You will be held responsible for damage to all range equipment, which could exceed \$10,000.
9. No one is allowed on or in front of the red firing line for any reason.
10. All unloading and loading of a firearm and magazine should only be done inside the shooting stall, between the red and yellow lines.
11. No drawing or firing from a holster. All shooters who desire to draw from the holster must be "holster certified" through Emerald Coast Indoor Shooting & Sport holster certification program.
12. No shooting at objects other than your target. You will be held responsible for all replacement costs plus a fine.
13. Firearms cannot be exchanged between lanes. Do not pass firearms directly from person to person. Place the unloaded firearm on the bench and allow the next person to pick it up. However, shooters may case the unloaded firearm and move the firearm to another lane. Holsters do not qualify as "cased".
14. Any unsafe behavior will be just cause for immediate dismissal from the facility without refund.
15. You must be at least ten (10) years old to enter the pistol range and thirteen (13) to enter both ranges. Children under 13 are restricted to use firearms chambered in 9MM or smaller. Individuals under the age of eighteen (18) must have a waiver signed by a parent or legal guardian and must always be accompanied on the range by a responsible adult.
16. No muzzleloaders, pellet guns or black powder firearms allowed on the range.
17. Shoot only the target designated for your shooting lane.
18. Use only the correct ammunition for your firearm as recommended by the manufacturer.
19. Shooting under the influence of alcohol or drugs is strictly prohibited.
20. To minimize lead exposure, food, drink, gum or any tobacco products are not permitted inside the range. Always remember to wash your hands after you leave the range and prior to eating.
21. Upon the command "CEASE FIRE", stop all shooting immediately, put down your firearm and back away from the firing line. Shooters may not re-approach the firing line or pick up any firearm, ammunition or magazines until a Range Safety Officer gives the "All Clear" and "Commence Shooting" command.
22. All shooting must be conducted in a safe, controlled, and accurate manner.
23. Always keep the firearm action open, magazines removed, and only load when ready to commence firing.
24. It is your responsibility to know and understand how to operate your firearm safely, ensure your firearm is in good working order, and understand and use its safety features.
25. The pistol bays are rated to .44 Magnum. The rifle bays are rated to .308 Winchester. Shotgun slugs are only allowed on the rifle bays.
26. All firearms must be transported unloaded and cased within the entire facility.
27. Due to insurance regulations and the safety of our clients, remanufactured ammunition of any kind is not permitted on the range.
28. No sandals, crocs, or open-toed shoes on the range at any time.
29. No tank tops, spaghetti strap shirts or low-cut blouses/shirts on the range.
30. For the safety of our clients, pregnant individuals are not permitted on the range due to the high noise level and lead exposure.

*I hereby certify that I have completely read these Range Rules, fully understand them and agree to abide by them at all times. I understand if I do not follow these rules, I may be asked to leave the facility by a Range Safety Officer without refund.*
